TEAM DK | Professional Multi-Gaming Organization – China

Established in 2010, Team DK of China is a multi-gaming organization that specializes in the RTS and ARTS genre of games. Famously known for their powerhouse Dota 2 team, DK also specializes in games such as Warcraft III: The Frozen Throne and League of Legends. Team DK has been invited to multiple international competitions, and has excelled on the grand stage of The International 2012 and The International 2013 Dota 2 Championships in the United States. Led by the world-famous carry player Xu “BurNIng” Zhilei, Team DK has found a resurgence of power following The International 2013 and looks to dominate the Dota 2 scene for years to come.

Awards:

The International 2012 – 4th Place
G-1 Champions League Season 4 – 2nd Place
